

“So those who were engaged in the work labored, and the repairing went forward in their hands, and they restored the house of God to its proper condition and strengthened.”
II Chronicles 24:13

Dear members and friends of St. James Lutheran Church,

St. James is a core pillar in the community, represented by each of us as we engage in our daily lives, and certainly by the location and presence of the church building itself. The building and the congregation serve so many people in the name of Jesus Christ; and we want to continue to do so. The church building is also the place we gather to worship in community; we have a long and rich history here.

This campaign—Renewing God’s House to Share God’s Love—perfectly captures the spirit of who we are and what we aspire to be.

Our goal is to raise \$1 Million over the next three years. This packet includes basic information to help us work together to achieve that goal.

A brochure answering the question: What is the money being raised for?

A list of answers to frequently asked questions.

- A few creative giving options: there are so many ways to give!
- A form to help you decide on your level of commitment and then share that with us.
- We are asking you to make a generous and personal three-year pledge above your regular giving to support this renewal. We will kick off the campaign in the next month and ask for your commitment during the weekend of November 9 and 10.

Our success will come with God’s help and your enthusiasm, effort, and prayers. Remember: “So those who were engaged in the work labored, and the repairing went forward in their hands, and they restored the house of God to its proper condition and strengthened it.” II Chronicles 24:13

Yours in Christ,

Daniel Bringman
