

St. James Lutheran Church

“So those who were engaged in the work labored, and the repairing went forward in their hands, and they restored the house of God to its proper condition and strengthened it.”
II Chronicles 24:13

Gracious God, thank you for the new day and all the possibilities it holds. Thank you for the supportive community at St. James that nurtures and sustains us. We also give thanks for those generations who have walked this path of faith before us. Their spirit and devotion to you and your church have given us a great legacy. Through prayer you deepened their community and strengthened their relationship with one another. Now we pray for your guidance as we step forward in faith to affirm the mission at St. James, to renew this house of worship, and to share your love. Expand our understanding of your ways and show us your will throughout this process. We pray this in your holy name. Amen.
