Fall is just around the corner...

I hope everyone is enjoying their summer! Our classrooms have been busy yet relaxing with summer activities. Everyone has been enjoying water play days, walking to the library, and having visitors in the building doing exciting activities with everyone.

Fall is sadly just around the corner. I am working on classroom transitions and adding new faces to our school. All of our PreK friends will be heading to KINDERGARTEN!

If you have changes to your child's current enrollment please let me know as soon as possible. Departing families, please make sure you let me know when their last day will be.
