Classroom Reminders:

1. The mornings are becoming cooler! Please bring a jacket to keep in your child's cubby as we will be going outside as much as possible!
2. Make sure your child has warmer clothes for their extra clothes bin!
3. We are continuing to work on nice hands and no biting along with using our words. These are all age appropriate behaviors, but we are encouraging our friends to use their words, use nice hands, and using teethers for biting.
