

Infant **March** News Letter

Reminders

March 2-6

Happy Birthday
Dr. Seuss, and Read Across
America Spirit week!

March 14-

Pi Day!

Share your favorite pie
recipe

March 17

St. Patrick's Day

March 20

First day of

Classroom Learning

This month your child will explore the color green, Dr. Seuss, St. Patrick's Day and Spring!

We will be exploring St. Patrick's Day symbols, listening to Irish music, and explore green foods and try some Irish brown bread. We will start to explore spring by observing changing weather, listening for birds, looking for flowers starting to grow.

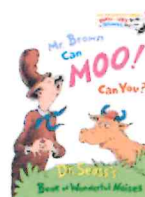

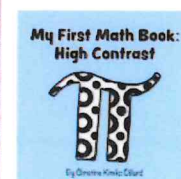

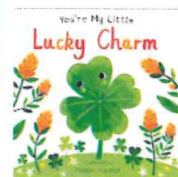

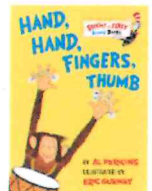

Thank you, Amanda, Angela, and Cianna.

We are so excited that spring is on its way!!! There is SOO much to explore this month!

Everyone is on the move and we can't wait to be able to learn and move around outside! Please make sure your child has a jacket/coat and hat everyday.

To celebrate Read Across America I will have a bin of books to share with you and your family. Please take a book or two home to read with your child and return for another!

Celebrate with us by being a guest reader! Choose a time on the list and come read to your child and their friends!
