

TODDLER NEWSLETTER

April 2026

Classroom News

We are looking forward to warmer weather so we can play outside more and go on longer walks. Please make sure your child has appropriate shoes/sneakers (preferably ones that tie) and that they fit properly so they are not tripping and falling out of their shoes. Also, please wear weather appropriate clothing on your child as well. If they are wearing a dress or skirt or dress, **PLEASE wear shorts under it.**

During the Week of the Young Child, we will be making ice cream sundaes. Please be on the lookout for a sign-up sheet for what we will need. Also, there is a sign-up sheet located on top of the sign-in sheet to be a guest in our classroom that same week.
