Looking Ahead

June 4-5: Conferences

June 8-12: VBS 9-11:30 am

June 21: Fathers Day

Brantley and Bradley Birthdays

Guest Visitors and Field Trips

During the month of May, we will be having guests come and talk to the children about their jobs and the fun things they get to do for a living. We have prescheduled guests including, Ms. Jenna from 4-H coming on May 12th to talk about farming/caring for animals, Ms. Ila coming on May 18 talking about being a librarian, and a walking Field Trip to the Police Station and Mayors office on May 19. Please have your children here by 9am on these days to participate in the fun.

Conferences

Prek Conferences will be held on June 4th and June 5th. A sign up sheet will be posted for you to schedule your time with us. We will discuss the results of their Kindergarten Readiness Packets, Teaching Strategies Checkpoints, and any questions, comments, or concerns that you have with your child, preparing for kindergarten. If these days do not work for you please let us know ASAP so we can plan for a different date and time.

End of the School Year

With the end of the school year approaching quickly, we have a lot of things that we would like to accomplish yet. We also would like to have as much fun as possible with all of our friends before summer schedules change. So amongst all of the chaos and final memories made, we will also be preparing for our Prek-k graduation and our last hoorah!

Reminders

- Filled Water Bottles are needed Daily at drop off (please fill them in the morning if you leave them here)
- Weather appropriate closed toe shoes and clothing worn to school daily (please leave a sweater in their cubby for when they get cold)
- **Check the bins in bathroom for weather appropriate clothing and proper sizes**
- All children must use the bathroom before entering our classroom (we do not have easy access to one)
- Toys: please leave at home unless it is for show and tell. These are causing issues when passing them in the hall.
- If you are Dis-enrolling your child for the summer, please make sure we get you all of their papers, belongings, and clothing from the bins in the bathroom before their last day.

Summer Changes

If you are making changes to your child's days they will attend, please let Ms. Ashley D (in the office) know as soon as possible. Our classroom Schedule will be changing for the summer to work around the heat. We will be going to the Lincoln Playground from 8:30 to 9:30 daily, unless there is another activity planned (water days) or the weather does not permit it. Permission slips will be going out in the coming weeks for us to do so. Chapel will be done for the year so Mr. Adam can do work camps this summer. We will be doing Water days in its place.

Looking Forward: Graduation

With the school year coming to the end, we are starting to prepare for Graduation. We will be sending out more information about graduation and graduation practice dates (for dis-enrolled children to come back to practice with us) in the coming weeks for you to plan for. In the mean time, please save the date for Friday August 7th. This will be in the evening after the center closes, so please plan accordingly. All children going to kindergarten in the Fall will be recognized and be able to "Walk the stage."
