

YOUNG TODDLER

JULY newsletter

CLASSROOM HAPPENINGS

July is officially here and we are continuing all the summer fun in the young toddler room! This month we will be talking about red, white, & blue, different types of food, carnivals, & camping.

we will be continuing water days every Tuesday weather permitting from 9-10am. You can bring your child dressed in their water clothes, but please DO NOT bring them in water diapers as they do leak. We can change them into those closer to our water play time.

Reminders

- Please apply sunscreen in the morning! Our outside time is from 9-10am and we will be going outside as long as the real feel does not hit over 90.
- Please make sure your child has weather appropriate extra clothing. The extra clothing bins are in the classroom above the diaper cubby's.
- All of your child's belongings should be labeled including nap stuff and water day towels!

IMPORTANT DATES

Center closed- July 3rd

Happy Birthday Finley- July 4th
